Master of Theology
IND 7500 Bibliographical Research Registration Form

Under the supervision of one's Major Professor, as the initial requirement of the Th.M. program, an original, extensive bibliographical report is prepared surveying the most significant of Southeastern's library resources (including AV and computer resources) in the field and especially in the degree specialization the student has chosen. (See full course syllabus available in the student's program handbook or from the Office of Th.M. and Thesis Studies.)

Use the form below to register for this course with your Major Professor. The signed form should be submitted to the Registrar's Office to complete registration for the course.
