### How do I apply for an SEBTS scholarship?

1. Do I have to be accepted at the College at Southeastern or SEBTS to begin applying for scholarships/loans? No. Many scholarships have a very early application deadline and the applicant should not wait until he/she is fully accepted to SEBTS or C@SE to apply.
2. Read, understand, and complete the online information. This may be found by visiting [www.sebts.edu](http://www.sebts.edu), clicking "Student Life," and choosing "Financial Aid." Apply online for Southeastern scholarships.
3. If you have questions about Financial Aid at Southeastern, please contact us at [FinancialAid@sebts.edu](mailto:FinancialAid@sebts.edu).

This cost estimator in no way determines what your tuition and fees will be, rather it serves only as an estimate of what tuition and fees will be for a given term at SEBTS. Please see the published Tuition & Fees Schedule for all approved rates & all additional fees.

**\*Student Service Fee Note:** A semester student service fee applies to undergraduate and graduate students taking classes in each term. Fall and spring semester student service fees are waived for extension students and students taking three hours or less of campus designated classes. Online classes are billed the online class fee for each online class, but not the student service fee unless campus classes apply. Also, there are no student service fees for the ThM, DMin, PhD, and EdD programs.
