STATEMENT OF FAITH

Jesus Christ is “the way, the truth, and the life” and salvation is possible only through faith in Him. Furthermore, God in Christ is seeking to reconcile people to Himself (2 Corinthians 5:19). Therefore, salvation requires a work of God’s grace as His Spirit convicts a person not only of the reality of his corrupt nature but also the hope of forgiveness and restoration through the atoning death and bodily resurrection of Jesus Christ. My personal faith and my preaching and teaching are based on the conviction that the Bible is God’s Word, given by the inspiration of God. It is therefore, “profitable for doctrine, for reproof, for correction, for instruction in righteousness.” The Word of God is truth without any mixture of error. It is the primary and final authority in all areas of knowledge and wisdom. I view the world through the truth of God’s Word. I am committed to a careful study of God’s Word so that I may be “complete” and “thoroughly equipped for every good work” (2 Tim 3:16-17). I am committed to the Word of God and the call of God to obedience to Christ as His Gospel and mission are generally understood by Baptists and are set forth in the current “Baptist Faith and Message” statement. Further, I affirm the Chicago Statement on Inerrancy and the Denver’s Statement on Biblical Manhood and Womanhood.
