

Partnership Summary and Update

Partnership: Hong Kong

Security Level: Open

Options: Open (Anyone can see)
 Selective (Show to select people only)
 Closed (Internal Institutional Eyes Only)

SEBTS' partnership with Hong Kong began in 2015 when IMB missionaries reached out to SEBTS personnel about a need for biblical counselors in Hong Kong. SEBTS partners with Island Baptist Church, a megachurch in Hong Kong, to offer a Certificate in Biblical Counseling. This partnership has had up to 50 registered students as well as many who come to hear the lectures and meet the professors. One auditor states, "I have a degree in counseling from [a Hong Kong school], but have never heard such great material. Every counselor should take this course. Thanks so much for offering this." Another certificate level student says, "The three Biblical Counseling courses we have attended up to now have proven to be extremely helpful ... On a weekly basis, I am getting to apply what I have learned in helping Christian brothers. I am committed to attend all the courses until I complete the program as I know that what I am learning is not only helping me, but it is giving me very practical tools to serve God and His people better, more confidently, and more broadly."

Note: These are distance learning cohorts of selected leaders. They feature online courses along with the occasional face-to-face courses.
