Such responsibility and liability of Occupant will also include the repair of damaged items to their former condition and/or replacement where necessary, which will be at the sole discretion of Director of Housing. **Pet damage is not considered normal wear and tear, and Occupant will be responsible for the value of replacement and installation of carpet, flooring or other fixtures necessitated by the presence of animal urine or other waste found by the Seminary. This value will be prorated based on the respective age of the item(s).**
14. Upon termination of the Housing Agreement, the Seminary will conduct an inspection of the premises to determine if there is any pet damage. Cost of the repair of such damage will be deducted from the Occupant Fee. The balance, if any, will be billed to the Occupant.
