

**Research Project Proposal**

As early in the Program as possible but at least by the beginning of the final semester, the student and the Major Professor should complete and present this form to the MA-ETC Program Coordinator. The Research Project should be on a significant research topic and should be designed to be completed in 40–60 pages plus Bibliography (following the most current edition of *A Manual for Writers of Term Papers, Theses, and Dissertations* by Kate L. Turabian). The Major Professor’s signature on this form indicates his or her recommendation of the title, the thesis, the outline, and bibliography for approval.
