THM 8500 Bibliographical Research Registration Form

Under the supervision of one's Major Professor, as the initial requirement of the Th.M. program, an original, extensive bibliographical report is prepared surveying the most significant resources in the Seminary Library (or other comparable theological library) in the field and especially in the degree specialization the student has chosen. (**See full course syllabus** available in the student's program handbook or from the Office of the Th.M. Program Director.)

- Complete all the registration information below and obtain your Major Professor's approval.
- **Attach a customized syllabus if not using the standard syllabus found in your Handbook.**
- Submit the form to the ThM Program Director for signature and afterwards to the Registrar's Office to complete registration for the course.
