

Form 3: Affidavit of Financial Support*

Please complete the form below for the student, student sponsor, or for both using multiple copies, being sure to also include any required additional documentation (refer to pg. 2 of this packet for estimated expenses). US Immigration regulations require full documentation of all financial resources sufficient **for the first academic year of study as a minimum. An I-20 cannot be issued if funds are inadequate or are not properly documented.** Due to the nature of both employment and financial aid eligibility for international students, it is strongly recommended that students come prepared to fund not only their first academic year but also their full program of study.
