Financial Aid:

It is the student's responsibility to pursue various avenues of financial aid. Many students received funding from their sending churches, denominational scholarship support, and institutional aid.

Students who are full-time personnel of NAMB or IMB will receive a 30% tuition discount. In addition, there are several institutions that cooperate with Southeastern to offer a tuition discount for employees of the institution. It is the student's responsibility to contact Financial Aid and complete the necessary documentation to receive this discount.
