"I authorize Southeastern Baptist Theological Seminary (SEBTS), International Student Services Office to release my record to the school named above. I understand my record will be released at the end of my last semester at SWBTS. If my last quarter has already ended, my record will be released shortly after the request is submitted, if eligible. If 60 days have passed since the last day of my final semester at SEBTS, my record can no longer be released.

I understand that once released, SEBTS will no longer have access to my SEVIS record and that SEBTS cannot cancel my transfer. I also understand that if I'm leaving the U.S. while my transfer is still pending, I must re-enter the U.S. with the new I-20 from the new school. I understand that after my SEVIS record has been released, I can no longer use my SEBTS I-20."
