

WELCOME!

We are glad you are here and we want you to succeed in every area during your time at Southeastern.

We believe in the local church and our desire is that you would join and serve. We are blessed to be surrounded by some of the greatest churches in the country! Our desire is that your involvement in a local church would deepen your love and dedication to the Lord, His word, and His people. The churches listed in this guide represent those who have requested to be included. We pray this guide serves you well as you seek to serve the Lord and begin your time at Southeastern.

Churches are listed in alphabetical order and include a variety of information to assist you in your search for a church home. Alongside the church name, address, and website you'll notice other helpful info, including icons representing ministry areas in need of volunteers.

Additionally, some churches are listed as Equip Network church partners. Southeastern's Equip program is an initiative to identify and partner with churches and para-church organizations to provide practical theological education through direct mentorship.
