Southeastern has apartment accommodations for student families and dorm or apartment accommodations for single students. Commuter facilities are also available to student families and single students who need housing accommodations for a few nights a week.

Southeastern offers commuter housing for commuting, hybrid, and intensive students. Whether you stay one night or two weeks, we have affordable options to help you.

COMMUTER HOUSING

Policies & Regulations

Housing policies and regulations are devised to be consistent with Southeastern's commitment not only to its students but also to the Southern Baptist Convention and the people who support it. Their primary aim is to help maintain a comfortable setting conducive to learning while providing as much privacy as possible in a shared environment.

All seminary housing students are guided by specific policies and regulations.

Commuters must comply with all Housing Policies and Regulations. Any violation of these rules may result in immediate eviction from the premises.

1. Use or possession of e-cigarettes (including "vapes"), tobacco, or alcoholic beverages; or the misuse of prescription drugs by the student and/or the student's guests in the housing areas is prohibited.
2. No pets are allowed in any of the commuter housing areas.
3. Quiet hours are to be observed. Quiet hours are posted in the dorm.
4. Singles may visit singles of the opposite sex in their apartment between the hours of 10:00 a.m. and 11:00 p.m. Sunday through Thursday, and between the hours of 10:00 a.m. and 12:00 midnight Friday and Saturday, provided there are at least three people in the apartment at all times and no roommates object. Opposite sex visitors are not permitted in dorm rooms.
5. All needed repairs or requests for maintenance services are to be referred to the Housing Office at 919-761-2400. (To report a maintenance emergency after hours, call 919-369-1781.)
6. Furniture is not to be rearranged.
7. No alterations, additions, or improvements shall be made to the seminary property.
8. Please lock the door when you leave.
9. Personal items are not to be left in housing after check-out. Any items left behind will be removed and the applicant's account will be charged a fine of \$50. The Seminary is not responsible for items of value left behind.
10. The occupant is liable for damage to the seminary apartment caused by the occupant, the occupant's family, or guests.
11. The seminary insurance program does not include coverage for personal belongings. All personal items placed or stored on the premises are at the risk of the Occupant.
12. The seminary reserves the right to have authorized staff and/or approved contractors make physical inspections and/or perform routine or special services to property as often as is deemed necessary by the Director of Housing. Students are required to give access in a timely manner as requested by such workers.
13. Anything that is determined to be a nuisance, hazard, potential hazard, or considered to be in direct violation of the Housing Agreement by the Director of Housing will be subject to immediate corrective action.
14. Please note that no firearms are permitted in seminary housing.

Cost

- 1-8 consecutive nights: \$70 per night
- 9-15 consecutive nights: \$600 flat rate
- 16-21 consecutive nights: \$900 flat rate
- 22-31 consecutive nights: \$1,200 flat rate

Limitations

- Family commuter housing is designed primarily to assist students who commute to campus with their family from some distance and need lodging related to classes in which they are enrolled. Due to limited space, reservation requests must be made at least five business days in advance of your planned stay.
- Also, please be aware that if plans change and a student comes alone without his/her family, the student needs to notify the Housing Office before his/her arrival. Since we have a very limited number of family commuter apartments, it is important that we keep them available for students coming with their families. We have other commuter options for students who commute to campus alone.
- Current students living in campus housing who have guests coming to visit are welcome to reserve one commuter apartment per event (i.e. wedding, new baby, etc.). Multiple students are not permitted to reserve commuter apartments for the same event. If we still have unassigned commuter apartments within three days of an event, the Housing Office will consider making a second apartment available for rent. Please check with the Housing Office for availability at that time.
- For non-academic stays, confirmation will be given five business days prior to the planned stay to ensure academic needs are met.
