

Southeastern's Policy on Delayed Payment for Students with VA Benefits

In adherence to Title 38 United States Code Section 3679(c), Southeastern Baptist Theological Seminary permits any covered individual to attend or participate in a course of education during the period beginning on the date on which the individual provides a certificate of eligibility for entitlement to educational assistance under chapter 31 or 33 and ending on the earlier of the following dates:

1. The date on which payment from VA is made to the institution.
2. 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

Southeastern will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under chapter 31 or 33.
