# HOUSING Overview

---

The Housing Office of Southeastern Baptist Theological Seminary seeks to provide adequate, affordable, safe, and comfortable housing for all God-called men and women who come to Southeastern to prepare for Christian ministries throughout the world.

Campus housing is available to all Southeastern students enrolled in a minimum of 6 term hours.

Southeastern has apartment accommodations for student families and dorm or apartment accommodations for single students. Commuter facilities are also available to student families and single students who need housing accommodations for a few nights a week.

There are many housing options available to single students, and the rent plans fall under two general categories—flat-rate and private apartment. Under the flat-rate rent plan, students pay a flat fee for rent and utilities. Roommates are assigned by the Housing Office, and a student's rent does not fluctuate when roommates move in or out. Also, the apartments are inspected four times a year for cleanliness. Under the private apartment rent plan, students rent the entire apartment to themselves, paying the full rent price and putting the utilities into their name. No roommates are assigned and there are no apartment inspections. Students who wish to have another student as their roommate while under the private apartment plan must obtain permission from the Director to sublet the apartment.

# APPLYING *for* Housing

---

Applications for housing are made online through the Housing Office. To apply for housing, simply go to ***sebts.edu/housing***.

A refundable Occupant Fee is required at least ten days prior to move-in. The fee is \$300.00 and may be paid online, or by cash or check. Checks should be made payable to SEBTS.

Rent is payable monthly in advance. Rent is due on the first of each month and considered late if not paid by the tenth of the month. All rent payments are made in Accounting Services, which is located on the first floor of Stealey Hall.

All students who desire to live in campus housing must sign a Housing Agreement that includes our Policies and Regulations.

Please note that pets are not allowed in seminary apartments not designated as pet-friendly. Certain apartments at Flaherty Farms are designated as pet-friendly areas. Please ask about our pet-friendly housing.

**Possession of firearms in any campus area is limited by state law.**

# HOUSING Agreements

---

Students are required to sign a Housing Agreement to live in campus housing. Each calendar year there will be two termination dates for the Housing Agreement. An agreement signed on January 1st through May 31st will terminate on May 31st of that year. An agreement signed on June 1st through December 31st will terminate on December 31st of that year. In each case the agreement will automatically renew on the day following the termination date unless the student moves out on or prior to the termination date.

The student is required to take at least 6 term hours during the fall and spring semesters, must be in good standing, and remain in good standing with the seminary financially, disciplinarily, and academically throughout the term of the Agreement. Failure of the student to satisfy these requirements may result either in the student's rent increasing by \$300/mo or the student being required to vacate housing.

The administration understands that due to certain circumstances it may not be possible for a student to take at least 6 hours. If a student will not be able to meet this requirement for an acceptable reason, they will need to submit their reason in writing to the Director of Housing. The student may be given a waiver for this requirement. Acceptable reasons include: family health issues, one semester of financial difficulties, graduating in two semesters but scheduling does not allow for taking 6 term hours, and graduating at the end of the semester and needs less than 6 term hours to complete the degree work. Other reasons may also be acceptable.

## HOUSING Assignments

---

Housing assignments are made approximately four to six weeks before the move-in date you indicate on the Housing Application. The Housing Office will send you an offer for an apartment by email, and you will have the opportunity to accept or reject the offer. When the assignment is confirmed, you will be given your new address so that you can tell friends and family, forward mail, etc. Feel free to call us if you have any questions during the assignment process.

## HOUSING FOR STUDENTS *Age 30 and Over*

---

Students ages 30-35 can rent single student housing flat-rate apartments with other students ages 30-35 (where available) or rent a private apartment (subletting permitted only to other students ages 30-35).

Single students 36 years or older can rent a private apartment in campus housing (subletting not permitted).

Appeals to the age policy may be made in writing to [\*\*\*housing@sebts.edu\*\*\*](mailto:housing@sebts.edu).

## LIVING *in* Campus Housing

---

During the time you live in seminary housing you will have the opportunity to meet and share in the lives of many other people who God has assembled in this place. There are numerous opportunities for fellowship, spiritual growth, and family fun.

## MOVING *into* Your Apartment

---

When you arrive in town on the day you move in, you will need to come to the Housing Office first to pick up your move-in packet and keys.

## EMAIL [\*\*\*housing@sebts.edu\*\*\*](mailto:housing@sebts.edu)

---

The Housing Office communicates all official information and notices through your e-mail account. It is very important that you check your email frequently.

## HOUSING Newsletter

---

A newsletter is published monthly by the Housing Office to keep students informed about activities, news, and notices related to campus housing.

# PROPERTY DAMAGE

## Liability Waiver(PDLW®)

---

While we strongly encourage residents to carry renters' insurance, renters' insurance is not required to live in Campus Housing. However, all residents are enrolled in the Property Damage Liability Waiver as a term of our Housing Agreement, and are responsible for a \$15 monthly fee.

The Property Damage Liability Waiver (PDLW) is not renters' insurance, but it will cover your liability in the apartment for damages caused by water discharge, smoke, fire, explosion, and sewer backup. Though it does not cover a resident's personal property, it will provide for the restoration of the apartment itself. Please reference the Housing Agreement for the full terms of the PDLW.

# TECHNOLOGY FEE

---

In Campus Housing, each apartment has a dedicated fiber internet connection and router built in. Fiber internet is a standard feature in all apartments and a technology fee is mandatory for all residents. The Technology Fee is \$70/mo for Private Apartments and \$30/mo for flat-rate residents.

# FLAT-RATE RENT PLAN

## Statement of Policy

---

- The water, sewer, and electric services are provided by the seminary and are included in your rent rate.
- Your rent will remain the same even when someone moves in or out of your apartment.
- The living space is shared equally by the occupants of the apartment. You are allowed to have only what will fit in your portion of the space.
- The seminary periodically inspects all apartments occupied by singles on flat-rate rent plans. Several days prior to inspections, an email will be sent to each student's sebts.edu email address on record notifying the student of the next inspection. These inspections are to check for cleanliness, damages, and that unassigned spaces are clear. Any violations will be subject to fines and corrective action. Failure to take corrective action as required could result in seminary staff or approved contractors making such corrections. Costs for such services will be charged to the student's seminary account.
- Quarterly inspections of all apartments occur in January, April, July, and October. Additional inspections occur prior to a new roommate moving in.
- Unassigned spaces in the apartment must remain clear of any personal effects and clean at all times.
- If you have a vacant bed space in your apartment, you may get a new roommate at any time. You are responsible for keeping your apartment clean and vacant spaces empty and ready for someone to move in at any time. We normally try to give you notice of an arriving roommate; however, in some cases it is not possible to give advance notice.
- If there is less than the maximum number of students living the apartment, you may be required to move to another apartment. Moves to consolidate singles typically occur during the first break of the semester and at the end of each semester.
- Singles in any flat-rate apartment, who desire to have an overnight guest other than a person registered as an occupant on the Housing Agreement of that apartment, must have prior written approval from the Director of Housing. A permission form is available from the Housing Office or on CampusNet under the Links tab. The completed Permission for Overnight Guest form must be brought to the Housing Office for approval before the guest stays overnight. No overnight guests of the opposite gender will be permitted.
- There is a \$100.00 fine for allowing a new roommate to move in without their assigned key. They must pick up their assigned key at the Housing Office prior to moving in.

# PRIVATE APARTMENTS

## Statement of Policy

---

- The whole apartment is rented by single student. A student may sublet to another student with the permission of the Director of Housing.
- Rental rates are based on Family Housing Rent Rates.
- Utilities are not included. Students are responsible for paying the utilities. Students must have electric, water, sewer, and natural gas (if applicable) utilities put in their names within five business days of move-in.
- All apartments are unfurnished.
- Private Apartments are not subject to quarterly cleanliness inspections.
- A limited number of pet-friendly apartments are available at Flaherty Farms.
